WP(C).NO.26791 of 2007

Dated this the 6th day of November, 2007

JUDGMENT

The petitioner approached this Court seeking a direction to the first respondent to permit him to write the examination being conducted by the second respondent for selection to the posts of Peon and Pharmacy Assistant in the first respondent Society. Apparently, there was some delay in the despatch of the hall ticket. The petitioner submitted that he had not received the same in time. At the stage of admission of the writ petition, after hearing the standing counsel for the second respondent, an interim order was issued provisionally permitting the petitioner to write the examination. There was an interdiction against the second respondent from publishing the results of the examination except after obtaining orders from this Court.

2. Learned counsel for the first respondent Mr.T.R.Ravi submits that the examination is over and it would be appropriate that the selection proceedings are permitted to be completed.

3. In the circumstances, the writ petition is disposed of directing the second respondent to publish the results of the examination which was held on 8th and 9th of September 2007 for

selection to the posts of Peon and Pharmacy Assistant in the first respondent Society.

No further directions are required in this writ petition and the same is therefore closed.
